Subject: Notable State College needs your feedback!

Dear Notable State College Student:

We know that the past few weeks have been hectic. Many higher education leaders have been working around the clock to help students transition and have as little disruption as possible in their education, given limitations and constraints. As you settle into a new daily routine, we want to reach out to "Ask Our Students" what else is on your mind, and what you need.

Notable State College has partnered with the Institute for Effectiveness in Higher Education (IEHE) to conduct this survey at no cost so that they can continue to focus on students.

Please take the survey now, as it is only open for a week. Typically, it only takes 5 minutes to complete.

All results will be confidential. We appreciate your time and feedback.
